BREAKING NEWS!!.....

Stonyhurst Language School is proud to announce the launch of its first sports academy in July 2018. The brand new course will combine English learning with interactive tennis instruction for international students.

The two-week residential English Language & Tennis course is designed for international boys and girls aged 10-16 years, who are looking to improve their English Language skills alongside their tennis. Students will integrate with the Language School students for English Lessons in the mornings, as well as daily evening activities and 4 excursions during the two-week course. Throughout the afternoon, the Tennis Academy students will receive intensive tennis coaching in the College's brand new, world-class, indoor tennis dome.

Tennis Instruction

The high performance training programme will be led by a Level 4, LTA Senior Performance Tennis Coach. The course is aimed at students who have a pre-intermediate to advanced ability of tennis. Students will be expected to have a basic understanding of techniques, movements and rules of the game. An elementary standard of English Language skills is also required. With high performance facilities including a state of the art tennis dome and a variety of outdoor courts, Stonyhurst offers the perfect location for a residential Tennis Academy.
