

# STONYHURST Language School

## February 2018 Newsletter

The snow is falling and the temperature is icy cold...  
but we are busy planning for the Summer!

We are very much looking forward to welcoming our students to the 2018 Summer Language School here at Stonyhurst College. Bookings for both our English Language Courses and Tennis Academy, are coming in daily. We wouldn't want you to miss out on all the exciting things we have planned this year. For further information or to reserve a place, please contact the office at [summerschool@stonyhurst.ac.uk](mailto:summerschool@stonyhurst.ac.uk) or visit our website; <https://languageschool.stonyhurst.ac.uk>.

Our teaching and activity staff are working hard to prepare an exciting course for 2018. We are booking excursions, interviewing for new staff and developing a brand new Tennis Academy programme. The Summer Language School here at Stonyhurst is expanding year on year and it is lovely to see a number of students returning this Summer.
