

# STONYHURST Language School

May 2018 Newsletter

**Just over one month to go until the start of Stonyhurst Language School 2018!!!!**

We are delighted to say that we are close to welcoming nearly 200 students, across both courses, and it is great to see many students returning to Stonyhurst again this summer. We have now finalised our afternoon activities programme with a range of new and exciting activities to try, ranging from Yoga and Fencing, to Clay Pigeon Shooting and Croquet.

If you do wish to book on any of the optional extra activities we have on offer this summer, you can find a copy of the booking form on our website or simply follow the link below. All forms are to be returned via email to [summerschool@stonyhurst.ac.uk](mailto:summerschool@stonyhurst.ac.uk). There are limited spaces available, so book now to avoid disappointment.

<https://languageschool.stonyhurst.ac.uk/wp-content/uploads/2018/05/Parent-Consent-Form-for-Extra-Activities-2018.pdf>

All activities take place in English, giving students the chance to practise their conversational skills outside the classroom. We encourage children to participate no matter what their age or ability level to help build their confidence, self-esteem and social skills.

A copy of the latest activities and excursion programme can also be viewed on the downloads page of our website.
