We have been visiting Berlin and China!

Members of the Stonyhurst Language School team have been busy during November travelling to both Berlin and China!

Matt and Katie have been meeting with lots of different agents, promoting the summer school to work in partnership with the agents ahead of recruiting new students for the 2019 Language School and Tennis Academy.

We have a new member in our team!

Our new Events Coordinator Emily started with us this month. Emily will be working alongside the team to manage the Language School and Enterprise activities.

Emily has previously worked as a Teacher and managed Educational programmes and activities within the Railway, she is very much looking forward to her first Summer Language School here at Stonyhurst!
